

LAUREN PATTERSON, ASLA

Landscape Designer • Planner

Lauren received her masters in Landscape Architecture and minor in regional and community planning from Kansas State University in 2014. Lauren has worked on a wide variety of landscape architecture and planning projects throughout the US and has experience leading projects from large scale regional planning initiatives to detailed immersive designs. Her passion for the fields of landscape architecture and planning extend beyond her work through the education and outreach of the profession.

After being involved in a variety of professional organizations, Lauren became involved in ASLA to work to expand the knowledge and outreach for landscape architecture in the region. Lauren served as the DFW section chair for Texas ASLA from 2017-2019 and is currently on the Leadership Development Committee and Urban Design PPN committee for National ASLA.

Lauren moved to Orlando Florida in 2019 and is apart of the Landscape Architecture team at Canin Associates. She loves taking regular weekend trips to the beach and exploring all of the destinations in Florida!
