

PARK(ING) DAY 2023 APPLICATION

Thanks for your interest in participating in PARK(ing) Day 2023 in Orlando Florida! It's easy to build your own "pop-up" PARK in a parking spot. All you have to do is fill out and submit this application. Please read through this information for important dates and participation requirements.

PARK(ing) Day 2023 is organized by the ASLA Florida Orlando Section in partnership with the City of Orlando, where we coordinate with the city and local businesses to create a parklet block party for a single day, this year on Friday, September 15, 2023 in College Park on Edgewater Dr., between Bryn Mawr St. and Smith St. Please see the site plan attached for more information.

About PARK(ing) Day

An annual open-source global event where citizens, artists and activists collaborate to temporarily transform parking spaces into "PARK(ing)" spaces: temporary public places. The international event began in San Francisco in 2005 when a group of architects "rented" a parking space by paying the meter and set up a miniature park. In 2011, over 975 PARK(ing) Day spots were created in 162 cities across the globe.

The goal of PARK(ing) Day is to draw attention to how we use public spaces and explore new ways of interacting with our city. The event calls attention to the need for more urban open space and generate critical debate around how public spaces are created and allocated, and how it improves the quality of the urban human habitat.

Important Dates

Thursday, August 10, 2023	– Design Workshop (Online Meeting)
Friday, September 8, 2023	– Application Deadline
Friday, September 15, 2023	– PARK(ing) Day 2023 event day, College Park Orlando

How It Works

Simply fill out the application on the following page with information about your parklet design and lead contact person.

Join us in the design workshop to meet some of the participants, the team putting the event together, and to gain a better understanding of how the event will work.

Once you have submitted your PARK(ing) Day application and received your approval, you can begin to gather the materials necessary to make your temporary parklet a reality! Be creative in your design, keeping in mind that you will need to install and take down your parklet all in the same day. See the following page for more information on PARK(ing) Day and safety information.

There is a fee of \$50 with the application. 50% of the proceeds will be donated to the Landscape Architecture Foundation.

Online

Submit your application in person at the design workshop, or you can email a scanned application to the follow email:

PARKingDayOrlando@gmail.com

Payments options:

- Check, made out to the ASLA Florida
- Direct invoice to applicant's email

PARK(ing) Day College Park 2023 Rules:

- PARK(ing) Day parks can only be located on the approved parking spots along the street.
- Parks must be set up prior to the official start time at 4:00 pm and can stay up until 8:00 pm. All parks must be removed and the site cleared by 10:00 pm..
- Parks must be staffed and monitored for the entire time they are set up.
- Acquiring all materials and installing and removing them from the park site is the responsibility of the sponsoring group.
- No commercial activity is permitted in the pop-up parks.
- Safety is of utmost importance. By submitting and signing this application and participating in PARK(ing) Day, the applicant takes full responsibility for providing a safe environment in their designated park areas.
- Parklet design must incorporate a buffer on the travel lane side of the parking spot.

Please diagram your proposed pop-up park layout on the model parking space below.

Please clearly indicate how your pop-up park will be designed, keeping in mind where its located on site. Note materials you would like to use. The diagram below shows a single parking spot.
